With Grateful Hearts

It has been hard since we all received the news of Mr. Wright's passing. As a community, we are missing a big piece of our heart; but it is with grateful hearts, that we remember Mr. Wright. Not only was he a fundamental part of the school, but he was a huge part of the FEC.

We cannot express our deep gratitude for all he did for the students, families, parents, and our FEC organization. Mr. Wright was there for every FEC event; not just to be supportive, but to help us with anything and everything. He was the first one there and the last one to leave. There was not a question he didn't know the answer to, there was never a time where he was too busy to help, he knew the ins and outs of everything, and was the most dependable.

He loved the school and community and conveyed it in everything he did. There is no denying that Mr. Wright's presence is everywhere at Renaissance. Our hearts are aching and we are grieving, "But know this: The ones that love us never really leave us." -Harry Potter and the Prisoner of Azkaban. He will remain a part of this school - and a part of our lives - forever.

Thank you for the outpouring of love that's been shown for him. Thank you for honoring his legacy by following his example and serving others during this time. Thank you for the stories, memories, and thoughts you've shared. We truly have such an amazing community of teachers, faculty, and families.
