"Menu items are subject to change"

What's going on at RA? November

Ms. Atkinson's Kindergarten class made turkey hats with things they are thankful for on the feathers and disguised turkeys to save them from being thanksgiving dinner!

Senora Beebe's 2nd grade Spanish students have been learning about body parts and clothing and drew giant pictures of themselves and their clothing.

What's going on at RA? December

Ms. Sun's 6th grade class
built models of the Great
Wall!

Reading Corner

We have just finished our midyear DIBELS Testing. This is a state mandated test that we administer three times a year to all elementary age students, K-6. You will be receiving a communication from your classroom teacher soon letting you know how your student is doing with their reading this year.

When you receive this communication, please take time to go over it. Spending time reading with your student every day at home will help them with their reading skills. Your local librarian can show you books that are on your student's reading level. Checking out books for your student to read to you at home is a good strategy.

Make sure your student gets in some reading time every day. It can become a good family habit that will reap benefits for years to come.
