# In Loving Memory of Mr. Wright

It is with the heaviest of hearts that this week we had to say goodbye to our beloved Mr. Wright. For the last 16 years, Mr. Wright was the lifeblood of our school. It would be impossible to list his contributions or to overstate the full measure of the impact his service and kindness have had on countless families, students, and colleagues. Mr. Wright was an unfailing resource and support to the entire staff and a caring and compassionate friend to every single one of the thousands of students that have passed through our doors since 2006.

## SCHOOL CANCELLED ON MONDAY

Serious consideration was given to closing the school entirely on Monday, November 8th. Ultimately, we decided on a "soft-close." This means that there will not be regular classes on Monday, and it will not be counted as a school day. However, in order to support those families that do not have childcare alternatives, we will have minimal staff and volunteers on-site to work with your kids. We would ask that you consider this option only as a last resort. If it is your only option, we will have people who will be here for your child. Registration is required if you plan to bring your kids to school on 11/8. You'll find the registration form at the link below.

The school will be staffed on Monday by employee and parent volunteers who've generously agreed to be at the school to allow others to attend the services in Pleasant Grove. If you are a parent with a current background check and would be willing to help out on Monday, please use this link to sign up for an assignment.

## RENAISSANCE MEMORIAL

We have received some questions about whether Renaissance will be doing a memorial of some kind in honor of Mr. Wright. We are currently working on a memory book in his honor. Mrs. Emily Depallens is leading the project and would love to have any pictures of Mr. Wright that you think would be a good addition to the book. To submit pictures for consideration, please send them as email attachments to [edepallens@renacademy.org](mailto:edepallens@renacademy.org).

We anticipate having a community discussion about other memorial ideas in approximately 30 days. In the meantime, any parent suggestions can be submitted through this Google Form.

Mary Flint, a fifth grade DLI student got a perfect score on her DIBELS DAZE test. This is a great accomplishment and she is the only one at the school who was able to do it. Way to go, Mary!
